christopher lloyd has been writing a weekly column in country life since 1963 and until now this wealth of gardern literature has been denied to a wider public there are many garden writers but few whose work can be considered to have the status of literature there is only one who has achieved this at the same time as delivering horticultural information which enlightens even the most erudite of plantsmen and that is christopher lloyd his prose is exciting his knowledge is vast his ideas are provocative and what is the true test of a writer who has transcended his medium he makes you laugh out loud in this selection from the storehouse of christopher lloyd s prose it will be apparent to what a high degree he has influenced gardening in our times the

book will capture the essence of christopher lloyd and of his garden at great dexter

helen babbs is a self proclaimed city girl who lives on the second floor of a flat in a chaotic corner of london an urge to find more green in the city and a stronger connection to the natural world leads her to create her first garden an organic edible garden on her rooftop this year long adventure is the story behind my garden the city and me the journey begins in the dark of winter where babbs finds herself at a seed swap on a february morning seduced more by packaging than by any true understanding of the plants as the year progresses babbs revels in failures like waking up bleary eyed and stomping on her seed starts and triumphs like her summer ending dinner party made with homegrown produce along the way she discovers that i like gardening in my pajamas and that growing something from seed watching it develop and then eating its fruits is truly joyful i ve daydreamed out there and entertained out there it s the force behind new friendships that i ve forged the garden has opened my eyes to a whole new side of london and urban living my garden the city and me is a lyrical narrative about a twenty something in search for a bit of wild in her city the journey is charming honest and steeped in the lore of london a city equally known for its gardens and its grit in the end babbs has achieved a new perspective on what it means to live green in the city she loves

dooney jacksons life was a roller coaster of events in addition to experiencing so much as a youth she persevered and made it out of the rough streets of south central california living life without knowing the root of her despair all ended with a single letter penned by her father in prison the truth came out and shamoria was determined to become the opposite of what was to become of her life through tragedies this is a remarkable biography that will put you in the characters shoes feeling the struggle and pain and also the happiness through blessings

this is an adventure in your backyard your are a part of the enchanting garden where you meet all your new friends they will share a breakfast with you and if you feel like it you could take a shower with them after the whole day of fun it is a great reading for parents and children for parents it is a great way to introduce their children to nature that can by found so close right in your backyard all creatures are friends in the garden they talk and make fun of each other sometimes they seem to be lonely but it is an illusion they like each other and can live in peace and with mutual respect get it now before they fly away to warm countries

the final volume in bowles s three volume survey of his garden through the year facing the unwelcome advent of winter bowles notes the decline of many treasured plants we have come to know in the previous volumes

ex actress broadcaster teacher keeble has been gardening for 40 years moving through a range of properties and gardening problems she has made sand and clay shade and stone all succumb to her will and shovel her gardening memoir is a grade a text brimming with wit and contagious enthusiasm color photos

a young girl tells what she loves most in her garden during each season

i have tried to make the book not only entertaining for small children but also informative and hope that it will make children aware of all that is around them in their garden
