seminar paper from the year 2021 in the subject business economics  
controlling grade 17 university of applied sciences cologne language  
english abstract the recording of financial instruments in the balance  
sheets of capital market oriented companies is playing an increasingly

important role in the course of globalization at least since the outbreak of the international banking crisis in 2007 which later developed into a global financial crisis financial instruments have been under close observation with regard to their accounting at this point intangible assets are critical to corporate value and can influence corporate financial policies the question arises as to whether and to what extent this scope in terms of balance sheet policy is also used by the dax 30 companies and what risk potential results from this the aim of this study is to work out the meaning of intangible assets according to international accounting system and to analyze intangible asset developments at dax 30 companies

the documented benchmarks for success and the many examples help explicate the complexities for the reader the book is organized and written so that it will be useful as an introduction to the field and also as a reference when special challenges arise for the practicing manager dr john j coyle professor emeritus of logistics and supply chain management department of supply chain and information systems smeal college of business pennsylvania state university the book is a must read for all supply chain managers seeking to drive down costs and improve profits and must be read before any investment is made in your supply chain get copies for your controller and all senior managers this book lays it all out dr richard lancioni chair marketing supply chain management fox school of business temple university expert strategies for improving supply chain and logistics performance using lean this practical guide reveals how to identify and eliminate waste in your organization s supply chain and logistics function lean supply chain and logistics management provides explanations of both basic and advanced lean tools as well as specific lean implementation opportunities the book then describes a lean implementation methodology with critical success factors real world examples and case studies demonstrate how to effectively use this powerful strategy to realize significant long term improvements and bottom line savings coverage includes using lean to energize your supply chain the eight wastes lean opportunities and jit in supply chain and logistics lean tools and warehouse global lean supply chain and logistics lean opportunity assessment value stream mapping and kaizen event management best in class use of technology with lean metrics and measurement education and training valuable training slides are available for download

preventing youth violence in a multicultural society highlights the importance of creating culturally compatible interventions to stop violence among the youngest members of diverse populations chapters explore how ethnicity and culture can increase or decrease risk for violence among youth depending on contextual factors such as a disadvantaged upbringing exposure to trauma and acculturation status authors focus on the interaction between environmental conditions and the individual risk

factors that foster youth violence they begin by examining risk factors common to all groups of youth such as feeling alienated from mainstream culture and searching for self identity and then focus on risk resilience and distinguishing factors among particular racial and ethnic groups including latino african american asian american pacific islander american indian and white youth the authors recommend interventions tailored to each group as well as advice on how to incorporate cultural competence into more general youth violence prevention programs the social ecological approach taken in this volume emphasizes the learned nature of aggression and violence and many of the recommended interventions involve changing the context in which violence is taught therefore truly encouraging long term violence prevention this practical empirically supported book serves as an important resource to all mental health practitioners working in the field of youth violence this book begins with an introduction by emilie phillips smith and nancy g guerra part i understanding youth violence and prevention in context the role of ethnicity and culture contains 1 ethnicity youth violence and the ecology of development nancy g guerra and kirk r williams 2 ethnic identity social group membership and youth violence sabine e french tia e kim and olivia pillado and 3 youth violence immigration and acculturation ioakim boutakidis nancy g guerra and fernando soriano part ii youth violence and prevention in specific ethnic groups contains 4 youth violence prevention among latino youth brenda mirabal colon and carmen noemi velez 5 youth violence prevention among asian american and pacific islander youth gregory yee mark linda a revilla thomas tsutsumoto and david t mayeda 6 understanding american indian youth violence and prevention samantha hurst and jack laird 7 preventing youth violence among african american youth the sociocultural context of risk and protective factors emilie phillips smith and la mar hasbrouck and 8 youth violence prevention among white youth robert nash parker and louis tuthill part iii developing culturally competent youth violence prevention programs and strategies contains 9 culturally sensitive interventions to prevent youth violence joan c wright and marc a zimmerman 10 what is cultural competence and how can it be incorporated into preventive interventions cynthia hudley and april taylor and 11 preventing youth violence in a multicultural society future directions nancy g guerra and emilie phillips smith a glossary an author index and a subject index are included
