art past art present brings to life the history of art from prehistoric times to the present day with analyses of works of art artists
patrons and techniques from around the world with a new design and many new illustrations this edition retains the elements that
have been justly praised in earlier editions introductory overviews offering a brief insight into each major period timelines which further

enhance our understanding of the historical geographical and cultural context of artworks over twenty color maps boxed essays on techniques in art and architecture art past art present boxes illuminating the relationship between the art being discussed and our modern world a series of theme spreads presenting groups of works from different periods and locations that can be more fully understood when seen in the context of other works representing the same theme the authors have made liberal use of quotation from historical documents and key terms are highlighted and defined in the glossary book jacket title summary field provided by blackwell north america inc all rights reserved

this book reclaims hegel s notion of the end of art or more precisely of art s past character not just as a piece of the history of philosophy but as a living critical and interpretive methodology it addresses the presence of the past character of art in both hegel and contemporary philosophy and aesthetics the book s innovative contribution lies in unifying the hegelian thesis with discussions of contemporary art and philosophy the author not only offers a hegelian exegesis but also applies the idea of the past character of art to themes that are related to both hegel s philosophy such as the french revolution and the modern state kantian aesthetics and religion and the sacred space disclosed for art and going beyond hegel such as celan s poetry gramsci s criticism of croce human rights and even the grunge rock band pearl jam conversely such non hegelian explorations will help enlighten what may look like a specific thread of hegel s aesthetics but can be used to shed light on some core motives of his philosophy the author s interpretation of art s past character reclaims the full value attractiveness and philosophical soundness of hegel s thesis while rejecting its interpretation in terms of a complete dissolution of the aesthetic element into the philosophical one hegel and the present of art s past character will be of interest to scholars and advanced students working on hegel philosophy of art and aesthetics history of philosophy political philosophy and art theory

through a series of cross disciplinary and interdisciplinary interventions leading international scholars of history and art history explore ways in which the study of images enhances knowledge of the past and informs our understanding of the present spanning a diverse range of time periods and places the contributions cumulatively showcase ways in which ongoing dialogue between history and art history raises important aesthetic ethical and political questions for the disciplines the volume fosters a methodological awareness that

enriches exchanges across these distinct fields of knowledge this innovative book will be of interest to scholars in art history cultural studies history visual culture and historiography

michael ann holly asserts that historical interpretation of the pictorial arts is always the intellectual product of a dynamic exchange between past and present recent theory emphasizes the subjectivity of the historian and the ways in which any interpretation betrays the presence of an interpreter in past looking she challenges that view arguing that historical objects of representational art are actively engaged in prefiguring the kinds of histories that can be written about them holly directs her attention to early modern works of visual art and their rhetorical roles in legislating the kind of tales told about them by a few classic cultural commentaries of the nineteenth and twentieth centuries burckhardt's synchronic vision of the italian renaissance wölfflin's exemplification schapiro's and freud's dispute over the meanings of leonardo's art and panofsky's exegesis of the disguised symbolism of northern renaissance painting

over two decades this art historical tour de force has consistently proved the classic introduction to humanity's artistic heritage from our paleolithic past to our digitised present every continent and culture is covered in an articulate and well balanced discussion in this seventh edition the text has been revised to embrace developments in archaeology and art historical research while the renowned contemporary art historian michael archer has greatly expanded the discussion of the past twenty years providing a new perspective on the latest developments the insight elegance and fluency that the authors bring to their text are complemented by 1458 superb illustrations half of which are now in colour these images together with the numerous maps and architectural plans have been chosen to represent the most significant chronological regional and individual styles of artistic expression

examining the art of the past through reconstruction and studies of historic sources

how does the artist's self conception change in old age how does old age affect artistic practice in this intriguing study art historian philip sohm considers some of the greatest artists of renaissance and baroque italy and their experiences of aging sohm investigates how art critics collectors biographers and fellow artists dealt with old painters what mental landscapes preconditioned responses to art

by the elderly and how biology and psychology were co opted to explain the imprint that artists left on their art he also looks carefully at the impact of prejudices stereotypes and other imaginary truths about old age for some artists the problems of old age were related to physical decline poussin s hands became shaky titian s eyesight dimmed for others psychological symptoms emerged the book s cast of characters includes michelangelo the hypochondriac young fogy titian the shrewd marketer of old age the multiphobic pontormo and others with sensitivity and insight sohm uncovers what it meant to be an old artist and how successive generations have looked at the art of an old master

in this authoritative book the first of its kind in english christopher wood tracks the evolution of the historical study of art from the late middle ages through the rise of the modern scholarly discipline of art history synthesizing and assessing a vast array of writings episodes and personalities this original and accessible account of the development of art historical thinking will appeal to readers both inside and outside the discipline the book shows that the pioneering chroniclers of the italian renaissance lorenzo ghiberti and giorgio vasari measured every epoch against fixed standards of quality only in the romantic era did art historians discover the virtues of medieval art anticipating the relativism of the later nineteenth century when art history learned to admire the art of all societies and to value every work as an index of its times the major art historians of the modern era however jacob burckhardt aby warburg heinrich wölfflin erwin panofsky meyer schapiro and ernst gombrich struggled to adapt their work to the rupture of artistic modernism leading to the current predicaments of the discipline combining erudition with clarity this book makes a landmark contribution to the understanding of art history from book jacket
